

## California Library Association Virtual Conference Scholarship.

May 11-14, 2021 <https://conference.cla-net.org/2021/>

The Nevada Library Association is thrilled to announce that we are able to offer 66 scholarships to the 2021 California Library Association virtual conference. Through a special partnership between NLA and CLA, members of the Nevada Library Association are able to attend this year's CLA virtual conference at the CLA membership price of \$150. To further encourage participation in this great professional development opportunity, NLA has been awarded an IMLS LSTA grant, administered through the Nevada State Library, Archives & Public Records department, to allow for up to 66 scholarships for members of the Nevada library community. This scholarship is available not only to current employees or MLS students, but also to community members associated with Nevada libraries. This can include Trustees, Active Friends of the Library members, and any other active members supporting school, public, academic, and special libraries in Nevada.

Registration costs for the conference are \$150 for CLA or NLA members, and \$250 for non-members. Student registration fees are \$50 for CLA or NLA members, and \$100 for non-members. This scholarship will cover a maximum of \$150 per awardee. As an added bonus to this scholarship, NLA will be offering a free limited membership to the Nevada Library Association for non-member scholarship recipients, good through December 31, 2021. This will ensure that all award recipients are able to attend at the membership price. All recipients must agree to complete a short survey after attending the conference.

The scholarship applications are due no later than Tuesday, April 20<sup>th</sup>. Applications will be reviewed by the scholarship panel, and awarded based on demand and equal statewide distribution.
